

Dr. Nuttapon Arayawudhikul

Cardiothoracic surgeon specializing in MICS CABG - minimally invasive bypass surgery with 400+ cases, fast recovery and less pain.

SPECIALTY

Thoracic Surgery, Surgery

LANGUAGES

English

Treatments & Services

- ✓ Minimally Invasive Bypass Surgery : MICS CABG
- ✓ Off-pump coronary revascularization
- ✓ Arterial conduit revascularization
- ✓ Minimally Invasive Cardiac Surgery (MICS)
- ✓ MICS OPCAB
- ✓ MIDCAB
- ✓ Mini-Mitral Mini-Sternotomy
- ✓ Hybrid Coronary Revascularization
- ✓ Coronary Artery Bypass Grafting : CABG
- ✓ Heart Bypass Surgery
- ✓ Coronary Artery Disease (CAD) or Blocked Coronary

Education & Training

2007**Thoracic Surgery**

The Medical Council of Thailand, Thailand

2002**Surgery**

The Medical Council of Thailand, Thailand

1999**Clinical Medical Sciences (Surgery)**

Chiang Mai University, Thailand

1998**Doctor of Medicine**

Chiang Mai University, Thailand
